To the outstanding classes at Richland Academy,

On behalf of 360°kids, I am writing to express our sincerest gratitude for your generous contributions to our **Gifts That Matter** holiday fundraiser through the ‘Adopt-a-Youth’ campaign. The gifts that you and your team provided for the 16 youth were met with smiles, cheers and brought joy to the youth we serve when they needed it the most.

For many of the youth we serve, the holiday season can be very emotional and challenging – as many of these youth do not have family support, stable housing or employment, or have recently experienced or are at risk of homelessness. Your gifts helped solve some of these problems and provide a bright spot during dark times for youth in crisis when the youth in need some much-needed cheer.

Your support has made a profound impact on the lives of the youth who access our services, and your sponsorship has helped bring joy and happiness to their lives. Your kindness and generosity will not be forgotten and we are deeply grateful for your commitment to our mission.

We truly appreciate the support we’ve received from compassionate and dedicated community members like your school; our 2022 Gifts that Matter campaign was tremendously successful. We go into 2023 knowing we can continue to provide vital services to kids in crisis and bring hope to our youth who need it most – THANK YOU!
